HISTORICAL SOCIETY MET THURSDAY, JULY 3

The Bethel Historical Society held its monthly meeting on Thursday, July 3, in the meeting room of the Dr. Moses Mason House. The constitution was amended to more accurately reflect the duties of the curator. A slide presentation on the wet cleaning of antique cotton, wool and linen prepared by the Smithsonian Institution was featured. Viewers were made acutely aware of the particular hazards of cleaning antique textiles. Following this presentation Richard Fraser of Woodstock exhibited and explained some of the early equipment used in making early American textiles. Refreshments followed the meeting.

The Society has received an egg box and a porcelain bed pan from Mr. and Mrs. Estes Yates.

Mollycokett Day plans of the Society include tours of the museum from 10 to 4, special exhibits and craft demonstrations, plus two films "We Hold These Truths" sponsored by the American Revolution Bicentennial Commission and "Maine: A New Direction". Once again the Society is most pleased to announce that Mrs. Kaye Housel of Rangeley will be cutting silhouettes in the meeting room of the Dr. Moses Mason house from ten until four. Anyone wishing further information, please call 824-2908.

COMMENTS FROM THE TOWN MANAGER'S OFFICE

The selectmen would like anyone interested in filling a vacancy on the Planning Board to contact the town office. There are two positions now open.

We would like to thank the Mason Brothers of Gilead, for the donation of two dozen geraniums which have been planted in the container at the intersection of Railroad St. and Main.

Water and sewer bills are being sent out on a staggered basis this month. As soon as the bills are completed they are being mailed in hopes it will level out the work load in the office.

We received an application for the town to dispense motor vehicle registrations after October of this year. This will be an item on the selectmen's meeting agenda next Monday night, July 14.

The petition received from interested citizens pertaining to the condition of the East Bethel road will also be discussed.

NTL INSTITUTE TO OFFER PROGRAMS FOR CHILDREN AND TEENAGERS

Once again this summer NTL Institute will be offering programs for children and teenagers. There is a reduced rate to participants from Bethel and the surrounding area.

The Children's Program, for ages 5-12, will run in one-week segments from July 14 to Aug. 8. The program provides an opportunity for children to interact with other children and explore through groups some of their feelings and emotions. It also provides a variety of activities in arts, crafts, sports and nature.

The Teen Program, for ages 13-18, provides an excellent opportunity for young men and women to explore themselves and their relations with others through a T group experience. A variety of other experiences are also included, such as: yoga, fantasy, sensory awareness, and field trips. The Teen Program, which lasts two weeks, will be held twice this summer: July 14-25 and July 28-Aug. 8.

Anyone wishing to have more information or an enrollment form is asked to see the NTL Office in Bingham Gym at Gould Academy, or call 824-2151.

DISTRICT 44 BOARD HOLDS MEETING AT ANDOVER

The board of directors of M. S. A. D. #44 held a regular meeting at the Andover Elementary School on Monday evening of this week.

Sue Grover informed the board of a money-raising project conducted by Pleasant Valley Grange of West Bethel to secure funds to renovate the bathroom facilities at the Ethel Bisbee School. Mrs. Grover reported that the Grange had raised \$500 for the project and hoped that the District would provide matching funds to repair the ceiling, walls and doors of the toilet areas at the school.

The board voted to accept a gift of \$500 from the Pleasant Valley Grange for the purpose of renovating the toilet areas at the Ethel Bisbee School.

It was reported by Basil E. Kinney, superintendent, that the "irrigation pond" at the Telstar site was being fenced and posted with "no trespassing" signs.

It was the vote of the board to authorize the posting of a second teaching position in the Telstar Home Economics Department for the 1975-76 school year.

The issuance of a note in the amount of \$200,000 at the Casco Bank and Trust Co. for current operating expenses was confirmed by the board. The short term note bears an annual interest rate of 3.17%.

The directors approved the following teacher nominations for the 1975-76 school year: David Girona to teach in the intermediate grade at Andover; Robert Remington, intermediate grade at Woodstock; Elizabeth Sargent, intermediate grade at Woodstock. Mr. Girona, Mr. Remington and Miss Sargent were among those affected by the reduction of staff at Telstar for the 1975-76 school year.

Accepted, with regrets, were the resignations of Paul G. Halle, science instructor at Telstar; and Kathryn Milne, kindergarten teacher at Andover. Mr. Halle has accepted a position at Lisbon High School, and Miss Milne plans to accept a position in the field of special education.

The appointment of Floris Robin as a District Remedial Reading Teacher under a Federal Title I program, for the 1975-76 year was confirmed and approved. Mrs. Robin had taught in the intermediate area at Andover and authorization was granted to post that vacancy. The board voted to employ Janina LaVallee as an assistant teacher under the Title I Remedial Reading Program.

Board members absent Monday evening were: Leon Akers, Phillip Morales, Andover; John Gasser, Bethel; Gilbert Dunham, Green-

Greenwood City —

— Mrs. Collette Morgan, Corres. —

This is the time when the energetic bird watcher fattens his list. This has surely been bird week here. As dawn stretched and smiled and the sun peeped between cloud fingers, the mother birds have been busy with young throughout the day. The Hairy Woodpecker with her two have really been amusing at our feeder. A bird of verve, its prut-prut wing beat tells of its coming. They are cheerful and ever busy, an embodiment of sturdy energy. The young expect so much from Mother as they follow her and give their shrill twitter.

The Nuthatch family seems to be Ma, Pa, and three little ones which are tended assiduously. They are very noisy with their "Ank Ank".

A young robin being trained by its parents, followed about with plaintive cries as if famishing; now and then cocking his head even on the hard surfaced driveway where he was scolded and moved on.

This year the cat-bird claimed squatter's right and nested near our driveway. They built down in the tangle where ran a brook and was a crisp and cool atmosphere in the spring. The brook is now dry but they loiter at ease and make bold advances as I pass by. I haven't as yet discovered how many are out. But I am well aware that they ARE out. While she was nesting he sang as if in an ecstasy of delight, but at the least alarm he would interrupt the flow of music with a cat-like "mew". Sometimes he seemed to ventriloquize as he reduced his volume until it seemed to come from far away, but as I moved I saw the scamp sitting six feet away singing his "whisper song". I am so pleased that he chose my location to nest this year. I hope he is happy and will come again.

Evenings on the lawn here, snuggled between the hills with a little pond tucked comfortably at our feet has been an ideal place to observe.

From the cottage some distance to the left came the music of the calliope, at our backs and to the right came the magnificent contralto of the thrushes, while from the pond's edge the frog's clunk the night.

A mother duck which nested in the reeds swims near the far bank with ducklings in her wake. They keep to the shadows, wary of prey.

The "hummer" birds and the bumble bees compete for nectar at my flowers in my garden and along the walls.

My "Chippy" I must not forget

to mention for she is one of us; demanding attention. All summer she has greeted me at six o'clock in the morning, calls from my hand, from my lap, and runs across my feet as I sit in the evening. Her hole is by a tree root where she has a plentiful store of sunflower seeds for winter.

I have always had a deep reverence for the beauty of the night. I find in its great starlit splendor something day cannot give. A new world comes into being; sun sets, the earth darkens, light decreases, and there's the moonlit world.

Fireflies move over the darkness twinkling their lights with pulsation and rhythm. I feel, like them, full of mystery and waywardness. I marvel at the beautiful light as they sparkle on into the night.

Mr. and Mrs. Leonas Holt entertained at a beach party on Sunday. Those attending were Mr. and Mrs. Robert Holt and Danny, Windsor; David Holt, Dexter; Sharon Jordan, Orono; Ann Holt, Mr. and Mrs. Clyde Morgan, local.

Lenora Waterhouse and Verna Libby, Westbrook, visited their sister, Doris Hayes, one day recently. They had supper then attended beano for the evening.

Callers this week at Mr. and Mrs. Clyde Morgan's were: Ruth Hastings, South Paris; Mr. and Mrs. Tom Sime Gray; Mr. and Mrs. Frank Curtis, local; Danny Holt, Windsor; Sharon Jordan, Orono; Ann Holt, local.

Anne Holt attended the wedding of a college friend at Winter Harbor over the week end.

On July 4th, Mr. and Mrs. Ardel Hayes entertained a party of 22 at their cottage on North Pond in Norway.

Kevin Hayes, Gray, and Scot Hayes, West Paris, are with their grandparents, Mr. and Mrs. Roland Hayes for a few days. Week end visitors at the Hayes Homestead were Mr. and Mrs. Duane Hayes, West Paris; Glenn Hayes, Gray; Ardel Hayes, Auburn.

The John Betts family were at their home here for the holiday week end.

Dear Editor,
I'm writing this letter to thank Nancy Young for keeping our soft ball team going (third and fourth graders) as long as she did. It took a lot of work, believe me!

It's too bad most of the 3rd and 4th graders didn't care enough about having a team to even come to practice. The last two practices only had three and four girls who showed up. I hope those of you who didn't come to practice won't be complaining about no team.

The only hope we have now is to try to get on the 5th and 6th grade team and they already have over 20 players. Doesn't look very promising.

I hope you who were too busy to come to practice, find enough to keep you busy the rest of the summer. It sure won't be softball!!!

Dear Sir:
There still seems to be some confusion about "What happened to the July 4th fireworks display?" which was cancelled so abruptly at the last minute, and I will try to clarify this. Many, many residents have expressed to me their acute disappointment at the sudden turn of events.

As explained on June 26 in an editorial letter to this paper from John Gasser, Manager of the Bethel Inn, the Inn Trustees reversed an earlier decision and informed us near the end of June that they would not assume sole responsibility for sponsorship of the fireworks. As of June 23, the Bethel firemen were fully prepared to set off the fireworks on the Bethel Inn golf course (to which the Trustees did not object) under the supervision of Blake MacKay, who was licensed to do so. Bethel Rotary Club and Greater Bethel Chamber of Commerce had long since agreed to subsidize one-third of the total cost (along with the

30 Seconds WITH THE NAZARENE

Rev. Barbara Huse, Pastor
Bethel Church of the Nazarene

Some people say "It does not make any difference what you believe just so you believe in something. All that is necessary is to be sincere. There are many ways and all lead to the desired Heaven." The Bible says, "Jesus saith unto him, 'I am the way, the truth, and the life: no man cometh unto the Father, but by me.' John 14:6." Now, what do you say?

BERRYMEN HONORED ON 25th ANNIVERSARY
Mr. and Mrs. Herbert Berryment were given a surprise 25th Anniversary party at their home in Bryant Pond on Sunday, June 29 by their children, Ms. Karen Berryment, Lewiston, and Terry and Rick Wing, South Paris. They were taken to dinner at Jordan's Restaurant by their children and when they returned home were surprised by their friends and relatives. The table was decorated in pink and silver. The centerpiece was a cake in a shape of interlocking rings with pink roses and silver leaves decorating it. The cake was made by Mrs. Ruth Cox of Milton Plantation. Refreshments of chips, crackers, cheese-dip and punch were served. A money tree was given the couple.

Even if you hate charts

Why?

Because chances are 999 to 1, or better, that our chart holds the key to your earning more interest on your savings, if you want to.

We don't quite dare say 100%. Somewhere there's bound to be a "do-it-yourself" bookkeeper who's spending an awful lot of time doing what "Savings Manager" can do for you, without your doing hardly anything.

A whole new ball game

"Savings Manager" is not just a savings account. It is the first true savings service. If your

bank is still talking to you about separate savings accounts or certificates at \$500 apiece, they haven't been listening to what you've been saying.

We've been listening, and thinking, and now we believe we have some very interesting things to tell you.

So study the chart if you want, or let us make it easy for you. Just ask us to explain how "Savings Manager" works and how it lets you strike the exact balance you want between "withdraw-ability" of your savings and a higher "interest batting average". Visit any office of the bank that's always thinking of new ideas to help you.

What a grand and glorious 4th of July. Weather was grand and very little traffic here.
We had a parade in our little hamlet and of course I was in it. I joined the parade at Haata's and it took 20 minutes to get to my house. A house was being moved from the former Charles Ellingwood property to Ted Brett's. The roof was cut off and followed behind the house. "Hutch" led the parade and another State Trooper was in the rear and he wouldn't let me sneak by until my driveway showed up, so I read the Sun and wiped my brow. It was a change anyway.

GILES BEATS LOWE IN STRAIGHT SETS

Under the blazing mid-afternoon sun, 100 plus area residents and Inn guests gathered at center court Bethel Inn to witness what had been billed as the grudge match of the season. With a flip of the coin by John R. Casser, General Manager and chief referee, Mike Giles was elected to serve. With strokes that defied description he relentlessly went to work on his opponent and took the first set, 7-5.

Mike Giles and Jim Lowe

After a brief rest to allow the line judges to take the sun and to slake their thirsts, Giles and Lowe went at it again. The second set, while not the hard fought contest the first provided, was better tennis and both Jim Lowe and Mike Giles were stunning with crisp forehand and backhand shots. The second set score was 6-4. Mike Giles announced his retirement from tennis after the match and promptly buried his borrowed racket.

Mrs. Barbara Brown, mother of the on duty refreshment chairperson, was quoted as saying that the tennis was grand, but that the cheerleading team of Louise Lincoln and Libby Bane was a sight which had to be witnessed first hand. More exciting competition is being planned and will be announced at a future date.
